SAY NO TO POISON --

Don't go for the bait... it's killing our wildlife.

Wildlife Care of So Cal

WCSC (formerly Wildlife Care of Ventura County) was founded in 1994 as a non-profit 501(c)(3) all volunteer organization, which holds permits through the City of Simi Valley, California Department of Fish and Wildlife, United States Fish and Wildlife and US Department of Agriculture.

Our organization is permitted to rehabilitate all native wildlife; with the exception of bear, mountain lion, and deer. Our volunteers specialize in one or more species, and operate as a team of dedicated, and highly trained individuals. We work very closely with veterinarians who provide medical care, x-rays, surgery and humane euthanasia when necessary. Beyond the immediate benefits of helping wildlife in need, WCSC provides a valuable service to the entire community by making help accessible to those who find wildlife in distress, and educating the public on living with our wild neighbors.
